RE: Tariff File No. _____, Basic Local Tariff Revisions
The Pager Company d/b/a The Pager & Phone Company

Dear Secretary:

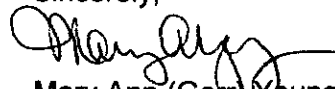

Enclosed please find an original and five copies of revised basic local telecommunications service tariff sheets of The Pager Company d/b/a The Pager & Phone Company (PagerCo), for filing with the Commission. The purpose of these revisions are to institute a Missed Trip charge for PHONEPLUS customers, and to revise the definition of the Administrative Change Charge.

The following pages are submitted for filing:

MO P.S.C. No. 1, Fourth Revised Page 8
MO P.S.C. No. 1, First Revised Page 41.2

The purpose of these revisions are to revise the definition of the Administrative Change Charge (Page 8) and institute a Missed Trip charge for PHONEPLUS customers (Page 41.2). Page 41.2 also reflects in the Customer Information Bulletin the increase in the Unpublished Number Recurring Charge for PHONEPLUS customers which is proposed in a separate 7-day tariff filing. No customer notice of the increase in the Unpublished Number charge is required because there are currently no customers subscribing to PHONEPLUS service, which was only recently approved by the Commission for service on or after January 18, 2003. Therefore no customer notice has been issued or is attached. These tariff pages bear a proposed 30-day effective date of February 21, 2003. Thank you for assistance in processing this filing. Copies are being served on the General Counsel and Public Counsel. Please contact me at 634-8109 or by email at myyoung0654@aol.com if there are any questions.

Sincerely,

Mary Ann (Garr) Young
